HYGIENE PRODUCTS

**Our specialized product portfolio for
safety at work**

A graphic consisting of two overlapping chevrons pointing to the right. The front chevron is red and the back one is black. To the right of the chevrons, the words "SAFETY AT WORK" are written in a bold, sans-serif font. "SAFETY AT" is in black and "WORK" is in red.

SAFETY AT WORK

Dear customer of Würth Industrie Service,

we stick together in good times and also in less good times: Our mission is to support you and make your best performance possible. Protection and distance become more important. But the work goes on.

With the information and products in this document, we want to make it easier for you during and after the corona crisis to supply C-parts, make your processes fit for the future and provide you with the best possible support during this phase.

Yours, Würth Industrie Service

Half mask ProFit 1812 FFP2 with Ventil

- EN-Norm: 149:2001 + A1:2009
- Filter class: FFP2
- Material: Fleece

Item number **1931010011**

Cotton Mask

Please note that these items are neither medical devices nor personal protective equipment (PPE), the mask consists of 100 cotton in a 170 g Oxford fabric. The yard ware is ÖKOTEX-certified. It is washable at 60 degrees and is fixed behind the ears with an elastic loop solution.

Item number **0991504196**

FFP2 – Filtering half mask

FFP2 – Filtering half-masks as personal protective equipment (PPE)

- Efficient 3-layer filtration of 95% of all particles in the air
- Pleasant breathing and excellent baby carrier

Item number **0991553451**

Face mask

Comfortable to wear, 3-layer disposable mask with low weight and low breathing resistance.

- According to EN14683:2005 Type I with a BFE (Bacterial Filtration Efficiency) ≥ 95
- Nose clip made of metal for a good fit on the nose
- latex-free ear loop

This is a medical mouth-and-nose protection which does not meet the requirements of the PPE regulation on respiratory protection. Type I masks are not intended for use by healthcare professionals in operating rooms or other medical facilities with similar requirements.

Item number **0991546740**

Function mask

With HeiQ Viroblock's world leading technological treatment, the functional mask has an antimicrobial effect against various germs, bacteria and viruses. Lightweight mask with very good breathability.

Art.-Nr. **1931065372**

Uvex PET Face protection

- Face protection PET disc, 0.3 mm, inside fog-free Fixation with elastic band suitable for all head sizes
- Soft foam interior padding in the forehead area suitable to protect the face from splashes and liquids

Item number **0991505040**

Full vision goggles Castor

- Perfect fit due to adjustable head band and Soft TPR frame
- Indirect ventilation system guarantees protection against drops and splashes inside
- Can be worn over prescription glasses and in combination with respiratory masks
- Panoramic lens guarantees peripheral vision
- EN and AS/NZS certified

Colour of protective screen: Clear
 Material protective pane: Polycarbonat
 EN-Norm: 166
 Mechanical strength: B (120m/s)

Item number 0899107016

Full-vision goggles Andromeda®

- Two-component technology for reliable protection and maximum comfort
- Optimum ventilation for ideal eye comfort
- Also ideal for users who wear glasses
- Panoramic field of vision
- Lens can be replaced quickly and easily
- Individually adjustable headband
- 100% UV protection up to 400 nm

Colour of protective screen: Clear
 Material protective pane: Polycarbonat
 EN-Norm: 166, 170
 Mechanical strength: B (120m/s)

Item number 0899102110

Full vision goggles Uvex ultravision 9301

- Classic, ergonomic full-vision goggles with unrestricted side vision
- Disc change possible
- Due to the wide nose section, the goggles are optimally suited for use together with a breathing mask
- Best wearing properties due to sophisticated ventilation system
- Large-volume spectacle body, also conveniently suitable as overglasses

Colour of protective screen: Clear
 Material protective pane: Polycarbonat
 UV-Protection: 400nm
 EN-Norm: 166, 170
 Mechanical strength: B (120m/s)

Item number 1931021737

Disposable protective gloves Multitril® V 747

- Natural latex free
- Cuddly fit
- Very high tactile sensitivity
- Improved grip due to fingertip roughening
- Increased tensile strength

Material:	Nitril
Variant:	rolled edge, unpowdered, fingertips napped
Length (mm):	280 - 300
Total layer thickness (mm):	0,15
Color:	blue
Classification:	Category I

Accessories Disinfection Pressure sprayer

- Versatile pressure sprayer for vehicle and building cleaning
- Uniform spraying pattern even without constant re-pumping
- Easy filling
- Fatigue-free mobile working
- Chemical-resistant FPM seals

Only use for water-based Würth cleaning products. This information can only be recommendations based on our experience. Preliminary tests required! For further information see Technical Information Sheet.

Item number **0891385005 (5 litre)**

Accessories Disinfection Sonic oil sprayer

- Long range
- Pleasant working
- Optimal distribution
- Quick and easy to fill
- Dirt free

Item number **0651150209 (6 litre)**
 0651150207 (10 litre)

Accessories Disinfection Pump spray bottle 360°

- Easier opening due to haptic elements
- Ergonomic, robust pump spray atomizer with long handle
- Individually inscribable label
- Good stability due to conical shape

Outside diameter: 133 mm
High: 256 mm
Color: Transparent, matt

Item number 0891503360 (1 litre)

Accessories Disinfection Pump spray bottle 360°

- Special suction system enables 360° spraying
- Ergonomic, robust spray head with long handle
- Closable regulating nozzle up to 15 bar piston pressure
- Transparent, shatterproof 0.5 litre container
- Individually inscribable label

Item number 0891502360 (500 ml)

Toilet paper dispenser horizontal

- Dimensions Height: 150 mm / Wide: 260 mm / Depth: 150 mm
- Packaging unit = 1 piece

Item number 0991316182

Toilet paper dispenser vertical

- Dimensions Height: 300 mm / Wide: 145 mm / Depth: 145 mm
- Packaging unit = 1 piece

Item number **0991394679**

Toilet paper 2-ply

- Quantity: 8x8 rolls of 250 sheets

Item number **0991315185**

Toilet paper 3-ply

- Quantity: 9x8 rolls of 250 sheets

Item number **0991315396**

Manual towel roll dispenser

- Dimension Height: 370 mm / Wide: 320 mm / Depth: 220 mm
- Packaging unit = 1 piece

Item number **0991315514**

- Dimension Height: 290 mm / Wide: 295 mm / Depth: 165 mm
- Packaging unit = 1 piece

Item number **0991315797**

Foldable towel dispenser – 2-fold capacity

- Dimension Height: 375 mm / Wide: 280 mm / Depth: 137 mm
- Packaging unit = 1 piece

Item number **0991315759**

Cellulose, bright white, 2-ply

- Dimension: 20,3 cm x 300 m
- Quantity: 6 rolls per pack/ 40 packs per pallet

Item number **0991315172**

Folded towels – 1-ply natural crepe

- Dimension: 25 x 23 cm
- Quantity: 5000 pieces per PU / 32 cartons per pallet

Item number **0991314760**

Folded towels – 2-ply white

- Dimension: 24 x 23 cm
- Quantity: 4000 pieces per PU / 32 cartons per pallet

Item number **0991315091**

Folded towels – 2-ply bright white

- Dimension: 25 x 22 cm
- Quantity: 4050 pieces per PU / 32 cartons per pallet

Item number **0991315118**

Protective Board

Manufactured from stable WAPS® aluminium profile system, the protection walls nestle into almost any environment thanks to their timeless design and give a neat, professional appearance. The protective walls can be set up quickly and positioned flexibly. Due to their straight design, they can be arranged in a row without gaps.

Protective Board Frameless

- 3 mm Makrolon sheet (transparent)
- Protection area (LxH) = 720 x 520 mm
- Framed in aluminum angle 60x60x30

Item number **1967701165**

Protective Board Clamped

- 3 mm Makrolon plate (transparent) framed in aluminum profile 30x30 mm
- Freestanding
- Profile frame ensures stable and safe standing on the work surface

Item number **1967701164**

Protective Board without crossbar

- 8 mm Makrolon plate (transparent) enclosed in aluminium profile 30x30 mm
- Free-standing
- Area of coverage (LxH) = 1520 x 740 mm

Item number **1967701192**

Protective Board with crossbar

- 8 mm Makrolon plate (transparent) enclosed in aluminium profile 30x30 mm
- Free-standing
- Area of coverage (LxH) = 1520 x 740 mm

Item number **1967701193**

HygieneFlex Mobile

With the help of our flexible CLIP-O-FLEX® suspension system, you can equip the HygieneFLEX Mobile modularly with different components to provide hygiene articles for your employees. Simply attach dispenser systems to the profile or the optionally available perforated plate wall. Use our CLIP-O-FLEX® shelves to create storage space where it is needed.

- Made of Würth Aluminium Profile System (WAPS®)
- Dimensions (LxWxH) = 785 x 520 x 1590 mm
- Customer-specific dimensions on request
- 4x swivel castors (2x with parking brake)
- Load capacity: max. 300kg
- Closed floor (8mm hard foam plate) with anti-slip mat
- Usable on both sides

Item number **1967701061**

HygieneFLEX Station

With the help of our flexible CLIP-O-FLEX® suspension system, you can equip the HygieneFLEX Mobile modularly with different components to provide hygiene articles for your employees. Simply attach dispenser systems to the profile or the optionally available perforated plate wall. Use our CLIP-O-FLEX® shelves to create storage space where it is needed.

- Aus Würth Aluminium-Profilsystem (WAPS®)
- Dimensions (L x W x H): approx. 1310 x 650 x 2000 mm
- Customer-specific dimensions on request
- Flexible and modular assembly
- Perforated plate framed in aluminium profile Series B 120 x 40L

Item number **1967701065**
