Würth Industry Service Vietnam / SOLAS

Dear Supplier:

As of July 1<sup>st</sup> 2016 the new SOLAS (Safety of Life at Sea Convention) regulations will take effect. As of the IMO information attached it is the shipper's responsibility to ship with a weight certification.

Not following the new guidelines will result in delayed shipments (refused to load on the ship by carriers) and penalties. We will not be responsible for additional costs due to non compliance per the IMO (International Maritime Organization) regulations.

Please confirm that you received, read and understood the new regulations (attached) and will comply with them. Further: What steps are being taken to comply with the IMO regulations?

Vendor name: \_\_\_\_\_

Date: \_\_\_\_\_

Signature: \_\_\_\_\_

Name and Positon (print out) \_\_\_\_\_

With above signature you confirm that you will be in compliance with the new SOLAS / IMO regulations and will be held responsible for any costs involved of providing wrong weights / shipping delays and penalties.
